Essential Workshop - "Getting to know NZ or AU" session covering key information.

Banking & Essentials Setup - Assist with bank accounts, IRD numbers.

Employment Readiness - Guidance on workplace expectations, employment rights, and professional etiquette.

Healthcare & Insurance - Support with medical insurance and emergency contacts.

On-going Communication - Maintain regular updates on progress and service delivery.

I am genuinely grateful to Gokyo Consulting for changing my career and life. They helped me get a Housekeeping Supervisor job in New Zealand and guided me through every step.

Their support went beyond just placement they provided a week of accommodation in Auckland and assisted me in settling into my new life. Thanks to their guidance, I have now been promoted to Housekeeping Manager.

Thank you Gokyo Consulting for making this life-changing journey possible!

Nirmal Chhetri
Housekeeping Manager, Auckland

Our Values & Practices

At Gokyo Consulting, we are strongly committed to fair and ethical employment practices.

We don't just follow the rules, we make them the foundation of our work. Employers trust us to manage their workforce smoothly, without any ethical concerns.

Ethical and Fair

We uphold honesty, transparency, and ethics, building our work on strong principles.

People-First

We prioritize understanding people's needs and providing tailored solutions. Employees, clients, and stakeholders are at the center of everything we do.

Simplicity

We deliver easy-to-understand and straightforward solutions that are practical and effective.

Collaboration

We build strong relationships through teamwork, transparency, and ethical conduct.

“

Gokyo Consulting has been exceptional in providing top-notch staff for our organisation, ranging from eager interns to experienced housekeeping supervisors. Their team members not only meet our expectations, but they also raise the bar across all our properties.

This partnership benefits us both: we gain dedicated team members who enhance our guest experience, and trainees find valuable opportunities to advance their careers. It's more than just a supplier relationship; it's a collaboration based on trust and shared success.

We recommend Gokyo to any hospitality business looking for high-quality, experienced candidates.

ahs hospitality - Australia & New Zealand

”

Our Candidates are highly skilled & global citizens

Our Commitment to You: We are singularly focused on connecting you with the perfect candidates who will seamlessly integrate into your organisation, catalysing growth and unlocking new potential.
